

# DOUBLE OAK WINE CLUB

*"Good company, good wine & good welcome."*

## When you join the Club, you will receive:

\*Seasonal wine Trios or Sextets (February, May, August, and November) of delicious Double Oak limited production fine wine selected from our pre-release, current release and library reserve wine at the members only 15% discount for Trios and 20% discount for Sextets. You choose whether to get the Trio (3) or Sextet, which is a double Trio.

\*You also choose whether this wine will be shipped to you or held for your pick up. (The shipping cost for a Sextet is only \$2 more than shipping for a Trio.)

\*Additional members only discounts on wine purchases: 10% for 1-5 bottles; 15% for 6-11 bottles; 20% for full case; 25% for 5 cases. (Special sales are excluded.) We extend this wine discount to members' guests when they come with the member on a visit to Double Oak.

\*10% discount on Tasting Room wine-related merchandise. (Special sales and art are excluded.)

\*Discounts for Double Oak special events, such as winery dinners. We extend this discount to four reservations per event.

## Here is how the Double Oak Wine Club Membership works:

\*You will receive quarterly Double Oak Wine Trios or Sextets, which will be charged to your credit card on file. Some always pick up their wine at the winery. Some members have their wine shipped. (An adult signature is required upon delivery. It's best to ship to a place of business. We will notify you ahead of time, giving you the option to have your wine held for pick up at the winery.)

\*The cost of the wines in each shipment will vary, depending on the varietals & vintages; typically it will be about \$37 for Trios and \$74 for Sextets, plus tax and shipping. For your peace of mind, you will get emails about upcoming shipments.

\*Double Oak Wine Club is free to join. You may cancel your membership at any time without obligation, except for wine shipped prior to the Wine Club's receipt of your notice.

Upper half for Wine Club Members

Lower half for Double Oak records.
